

ANT R&D PARTICIPATION CONSENT FORM

PROJECT: ANT R&D Local Dataset Collection and Development in Akwa Ibom State.

INSTITUTION: ARTIFICALLY (e)NGINEERING TECHNOLOGIES (ANT).

We are collecting local data for research purposes. This data includes images, videos, speech and voice recordings, environmental data and observational data.

YOUR RIGHTS:

- 1) **Voluntary Participation:** You may withdraw your consent and participation at any time without penalty.
- 2) **Anonymity:** Your personal identity will not be attached to the dataset, all collected data will be anonymized.
- 3) **Ethical Commercialization:** Your data may be used for research, academic or ethical commercial purposes but your identity will always remain protected.

CONSENT STATEMENT:

I understand the purpose of this data collection and agree to participate.

I give **ANT R&D** permission to use the data collected from me for research, academic and ethical commercial purposes.
